

## **REVENUE - CONCESSIONS**

The following describes the steps taken to capture concession and concession commission revenues and perform analysis of the revenue trends as described in the accompanying charts.

Origin of Information Analyzed:

- City of Hilliard Revenue Data – Schneider Downs and Co., Inc. (SD) obtained the December month-end MTD?YTD REVENUE PERIOD REPORTS (general ledger account summaries) for the years 1996 through 2018 from Karrie Martin – City of Hilliard Fiscal Officer which capture both month-to-date and year-to-date revenue totals for the city of Hilliard for all departments. Each general ledger account is unique as to the origin of the revenue and the associated department. The Fiscal Officer provided SD the reports in EXCEL format having extracted the information from the Creative Microsystems, Inc. (CMI) accounting system which is the City of Hilliard's system of record for financial capture and reporting.
- Population Data – SD obtained City of Hilliard population data for the period 1996 through 2018 from the MID-OHIO REGIONAL PLANNING COMMISSION (MORPC). SD obtained the data for the period 2010 through 2018 directly from the MORPC website at [www.morpc.org](http://www.morpc.org). The MORPC website currently maintains data from 2018 back to 2010. Prior to 2010, data is maintained in 10 year increments to coincide with the census. Therefore, for the period 2009 through 2001, SD obtained copies of the MORPC data from the Fiscal Officer. MORPC population data is used by the Finance Department generate statistical tables in the Comprehensive Annual Financial Report (CAFR). As a result, MORPC data prior to 2010 was maintained on file by the Finance Department.
- SD analyzed concession and concession commission revenue for the period 1996 through 2018. SD began with the 1996 concession revenue data in order to analyze trends in concession revenue prior to Heather Ernst's promotion to West Pool manager in 2001. In 2008, the City of Hilliard no longer managed the concessions for the Community Center, Senior Center, East Pool, West Pool, and Ballfields. Instead, the City of Hilliard agreed to allow a third party vendor to manage all concessions in return for a concession commission payments based on a percentage of retail sales agreed to by contract. Third-party management of concessions began in 2008 and has been in effect through 2018.
- SD noted that prior to 2006, the CMI system is not capable of generated detailed expense or revenue reports. Per inquiry with the Finance Director and Fiscal Officer, in either 2005 or 2006, the City of Hilliard upgraded the CMI system from a DOS-based system to a Windows-based system. As a result, many accounts that exist prior to 2005 show no activity after 2005. Accounts with similar or identical descriptions, but with different account numbers, begin to show activity subsequent to 2005. Per inquiry with the Finance Director, this procedure was initiated during the set-up process of the upgraded CMI system in order to maintain a historical record of accounting data prior to the CMI upgrade.

Analysis Performed:

- To arrive at the general ledger revenue accounts specific to the Recreation and Parks Department, SD met with both Karrie Martin – Fiscal Officer and Greg Tantari – City of Hilliard Deputy Finance Director who identified the accounts specific to the Recreation and Parks Department.
- Having identified the Recreation and Parks Department revenue accounts, SD extracted from the MTD/YTD REVENUE PERIOD REPORTS, the Recreation and Parks Department revenue accounts, and respective annual revenue totals for years 1996 through 2018 and combined the information into a single report.

- SD then extracted those accounts specifically identified as concession revenue general ledger revenue accounts for analysis: (1) CONCESSIONS COMM CTR - account #101.000.44220 – used to record the Community Center concession and concession commission revenue, (2) CONCESSION SR CENTER - account #101.000.44221 - used to record the Senior Center concession and concession revenue, and (3) CONCESSIONS – EAST POOL - account #101.000.44222 used to record the East Pool concession and concession commission revenue, (4) CONCESSIONS – WEST POOL – account #101.000.44223 used to record the West Pool concession and concession commission revenue, and (5) BALLFIELD CONCESSIONS – account #101.000.44270 used to record concession and concession commission revenue for sporting events at the ballfields . For comparative purposes, SD calculated the total concessions and concession commission revenue to be \$997,380.03 based on data obtained from the CMI accounting system for the period 1996 through 2018 relative to the total amount of revenue generated by the Recreation and Parks Department over the same time period (\$20,135,958.06). SD determined that concession and concession commission revenue comprised 4.87% of total Recreation and Parks Department revenues for the period.
- SD identified a drop in 2009 (91.31% from 2008) in year-end concession commission revenue and a increase in the year-end Community Center rental revenue for the same year. SD obtained the Rec-Trac GL Summary for the period July 2009 through November 2009 and the DETAILED REVENUE TRANSACTION REPORT for account 101.000.44230 (Rental Community Center). SD identified four (4) transactions (7/22/09, 8/13/09, 9/15/09, and 11/04/09 ) totaling \$13,412.24 recorded in the CMI Detailed Revenue Transaction report that were significantly higher than the other transactions and that lined up with the concession commission amounts paid to the City of Hilliard in 2008 and subsequent years . SD traced the amounts of these transactions recorded in CMI to the total amounts recorded in the Rec-Trac GL Summary. Per inquiry with Geoff Dews – Recreation Supervisor and Karrie Martin – Fiscal Officer, the East and West Pool concession commissions were incorrectly recorded in account 101.000.44230 (RENTAL COMM CTR) when these revenues should have been recorded in accounts 101.000.44222 (CONCESSIONS – EAST POOL) and 101.000.44233 (CONCESSIONS – WEST POOL).
- SD identified a second drop in year-end concession commission revenue beginning in 2015 and continuing through 2018. Per inquiry with Kristan Turner – Recreation Supervisor, in 2012, the City of Hilliard began using Durant Enterprises to provide carnival rides, games, and attractions for the city's 4<sup>th</sup> of July celebrations in which the City of Hilliard received commissions from Durant. SD obtained the DETAILED REVENUE TRANSACTION REPORT for account 101.000.44220 (CONCESSIONS COMM CTR) from the Fiscal Officer, a Rec-Trac Cash Journal Report for the period 10/19/2009 through 10/07/2016, and a Rec-Trac GL Summary for account 101.000.442200 for selected dates in 2012, 2013, and 2014 from the Recreation Supervisor.
- SD identified the Durant Enterprise commission payment transactions recorded on the Rec-Trac Cash Journal report which occurred in 2012 through 2014 and verified the commission transactions were recorded in the CMI system. SD traced the Durant Enterprise commission payments to the City of Hilliard that were recorded in the Rec-Trac Cash Journal Summary to the corresponding transaction recorded in the Rec-Trac GL Summary. SD then traced the total amount recorded for the day in the Rec-Trac GL Summary to the corresponding amount recorded in the CMI DETAILED REVENUE TRANSACTION REPORT.
- There were no Durant enterprise commission payment transactions recorded in 2015 through 2018. Per inquiry with the Recreation Supervisor, Durant Enterprises was not utilized in 2018. SD identified a spike in revenue in account 101.000.44900 (MISC COMM CTR) for the period 2015 through 2017. SD obtained the Detailed Revenue Transaction report for account 101.000.44900 (MISC COMM CTR) from the Fiscal Officer, a Rec-Trac Cash Journal Report for the period 09/16/2009 through 10/04/2018, and a Rec-Trac GL Summary for account 101.000.44900 for selected dates in 2015, 2016, and 2017 from the Recreation Supervisor.
- SD identified the Durant Enterprise commission payment transactions recorded on the Rec-Trac Cash Journal report which occurred in 2015 through 2017. SD traced the Durant Enterprise commission payments to the City of Hilliard that were recorded in the Rec-Trac Cash Journal Summary to the corresponding transaction recorded in the Rec-Trac GL Summary. SD then traced the total amount recorded for the day in the Rec-Trac GL Summary to the corresponding amount recorded in the CMI DETAILED REVENUE TRANSACTION REPORT, account 101.000.44900 (MISC COMM CTR). per inquiry with Geoff Dews – Recreation Supervisor and Karrie Martin – Fiscal Officer, the Durant Enterprises commission payments to the City of Hilliard were incorrectly recorded in account 101.000.44900 (MISC COMM CTR) when these revenues should have been recorded in accounts 101.000.44220 (CONCESSIONS – COMM CENTER).

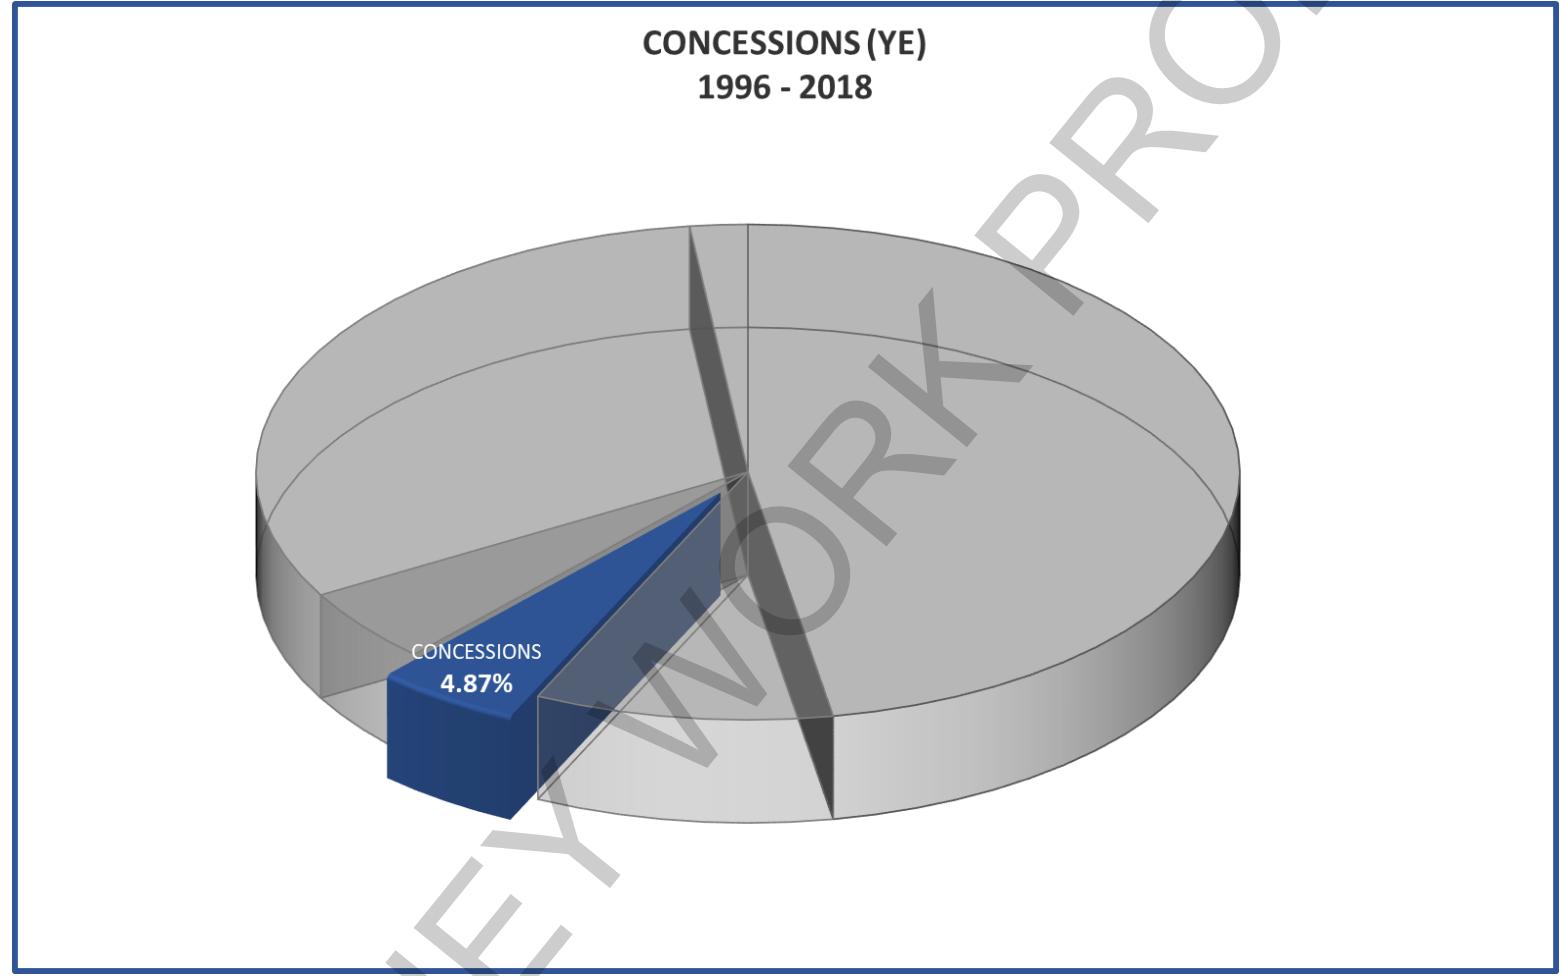

- SD identified a significant decrease in the concessions commission revenue in 2018. SD identified a corresponding significant increase in account 101.000.44902 (MISC. SWIM POOL – EAST POOL) and account 101.000.44903 (MISC. SWIM POOL – WEST POOL). SD obtained the CMI Detailed Revenue Transaction reports for both accounts and identified two transactions which occurred on 07/31/18 in account 101.000.44902 for \$523.68 and on 7/31/18 in account 101.000.44903 for \$3,501.08 (total amount \$4,024.76).
- SD obtained the Rec-Track Service Item Sales History Report from Geoff Dews – Recreation Supervisor for the period 07/01/2018 through 10/31/2018 which listed three transactions that were described as concession related revenue transactions. The first transaction occurred on 07/25/2018 for the amount of \$4,024.76. This amount was tied to the Rec-Trac GL Summary report and the CMI DETAILED REVENUE TRANSACTION REPORT for account 101.000.44902 and 101.000.44903. This indicates this transaction was recorded in the incorrect account (the correct accounts are 101.000.44222 – CONCESSIONS EAST POOL and 101.000.44223 CONCESSIONS WEST POOL). The second and third transactions occurred on 09/17/2018 and 10/04/2018 for the amount of \$2,194.14 and \$1,193.22. SD tied the transaction amounts to the Rec-Trac GL Summary report and the CMI Detailed Revenue Transaction report for account 101.000.44220 (CONCESSIONS COMM CTR).
- In analyzing concession and concession commission revenue, SD identified decrease in concession revenue from the period 1996 through 2007 compared to the concession commission revenue for the period 2008 through 2018. SD calculated the average annual concession revenue for the period 1996 through 2018 to be \$70,360.21, and \$13,914.32 for the concession commission revenue for the period 2008 through 2018; a decrease of 80.22%. Per inquiry with Kristan Turner – Recreation Supervisor, the city of Hilliard began contracting with a third party vendor to manage all concessions in 2008. In return, the City of Hilliard is paid a commission based on a percentage agreed upon by contract. SD identified an increase concession revenue for the period 1996 through 2002 and then a decrease from 2003 to 2007. SD calculated the average annual concession revenues for the period 1996 through 2002 to be \$80,455.01, and \$56,277.48 for the period 2003 through 2007; a decrease of 30.05%.
- SD performed a year-by-year comparison analysis of the City of Hilliard population and year-end concession and concession commission revenue for the period 1996 through 2018. From 1996 through 2018, the average annual concession and concession commission revenue decrease was -5.37% and the corresponding average annual population increase was 3.41%. SD noted that the average annual concession revenue from 1996 through 2007 was \$70,360.21 compared to the average annual concession commission revenue from 2008 through 2018 of \$13,914.32; a change of 80.22% attributed to the City of Hilliard's decision to contract concession management to third-party vendor in exchange for an agreed upon commission.
- SD calculated the estimated concession revenues based on the City of Hilliard population rates for the period 1996 through 2007. SD used 1996 as the base year to calculate estimated concession revenue since this was as far back, historically, that concession revenue year-to-date transaction totals could be retrieved from the CMI system. SD calculated the estimate through 2007. Subsequent to 2007, concessions have been managed by third-party vendors who pay the City of Hilliard an agreed upon commissions. To determine the 1997 estimated concession revenue, SD multiplied the 1996 actual concession revenue of \$68,585.33 recorded in the CMI system by 1.048 (1 plus the City of Hilliard population increase for the period 1996 through 1997). The 1997 estimated concession revenue was used to determine the estimated concession revenue for 1998 by multiplying the 1997 estimated concession revenue of \$71,922.08 by 1.1137 (1 plus the City of Hilliard population increase for the period 1997 through 1998). SD calculated the total estimated concession revenue for the period 1996 through 2007 to be \$1,052,662.03. SD compared the estimated total concession revenue to the actual concession revenue of \$844,322.48 recorded in the CMI system over the same period; a variance of (\$276,924.88).

SD identified a significant decrease in the concessions commission revenue in 2018. SD identified a corresponding significant increase in account 101.000.44902 (MISC. SWIM POOL – EAST POOL) and account 101.000.44903 (MISC. SWIM POOL – WEST POOL). SD obtained the CMI Detailed Revenue Transaction reports for both accounts and identified two transactions which occurred on 07/31/18 in account 101.000.44902 for \$523.68 and on 7/31/18 in account 101.000.44903 for \$3,501.08 (total amount \$4,024.76).

SD obtained the Rec-Track Service Item Sales History Report from Geoff Dews – Recreation Supervisor for the period 07/01/2018 through 10/31/2018 which listed three transactions that were described as concession related revenue transactions. The first transaction occurred on 07/25/2018 for the amount of \$4,024.76. This amount was tied to the Rec-Trac GL Summary report and the CMI DETAILED REVENUE TRANSACTION REPORT for account 101.000.44902 and 101.000.44903. This indicates this transaction was recorded in the incorrect account (the correct accounts are 101.000.44222 – CONCESSIONS EAST POOL and 101.000.44223 CONCESSIONS WEST POOL). The second and third transactions occurred on 09/17/2018 and 10/04/2018 for the amount of \$2,194.14 and \$1,193.22. SD tied the transaction amounts to the Rec-Trac GL Summary report and the CMI Detailed Revenue Transaction report for account 101.000.44220 (CONCESSIONS COMM CTR).

SD calculated the total concessions and concession commission revenue to be \$997,380.03 based on data obtained from the CMI accounting system for the period 1996 through 2018 relative to the total amount of revenue generated by the Recreation and Parks Department over the same time period (\$20,135,958.06). SD determined that concession and concession commission revenue comprised 4.87% of total Recreation and Parks Department revenues for the period.

## CONCESSION REVENUE (YE) (1996-2018)

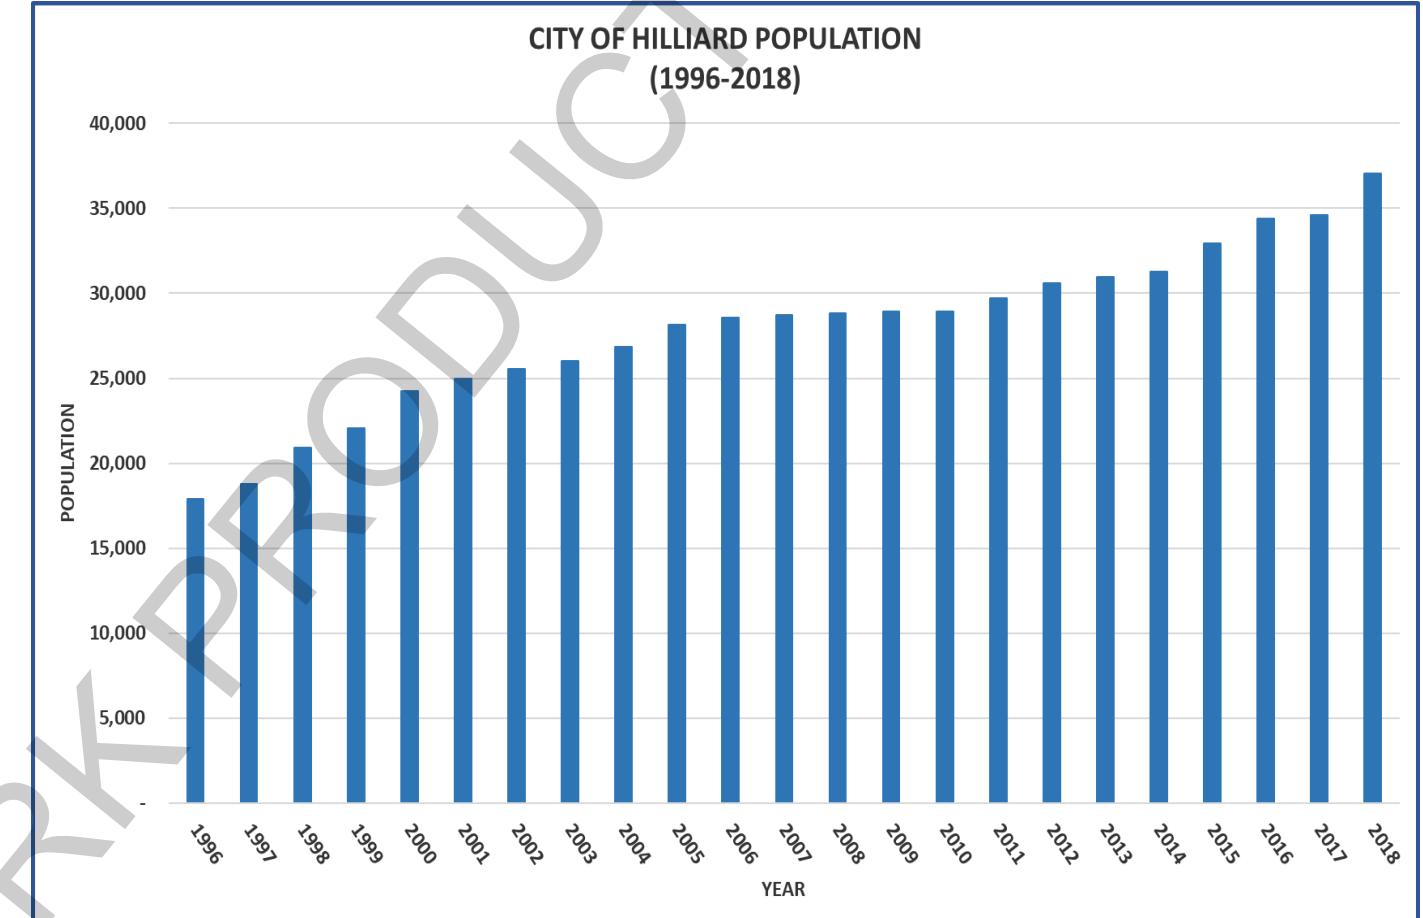

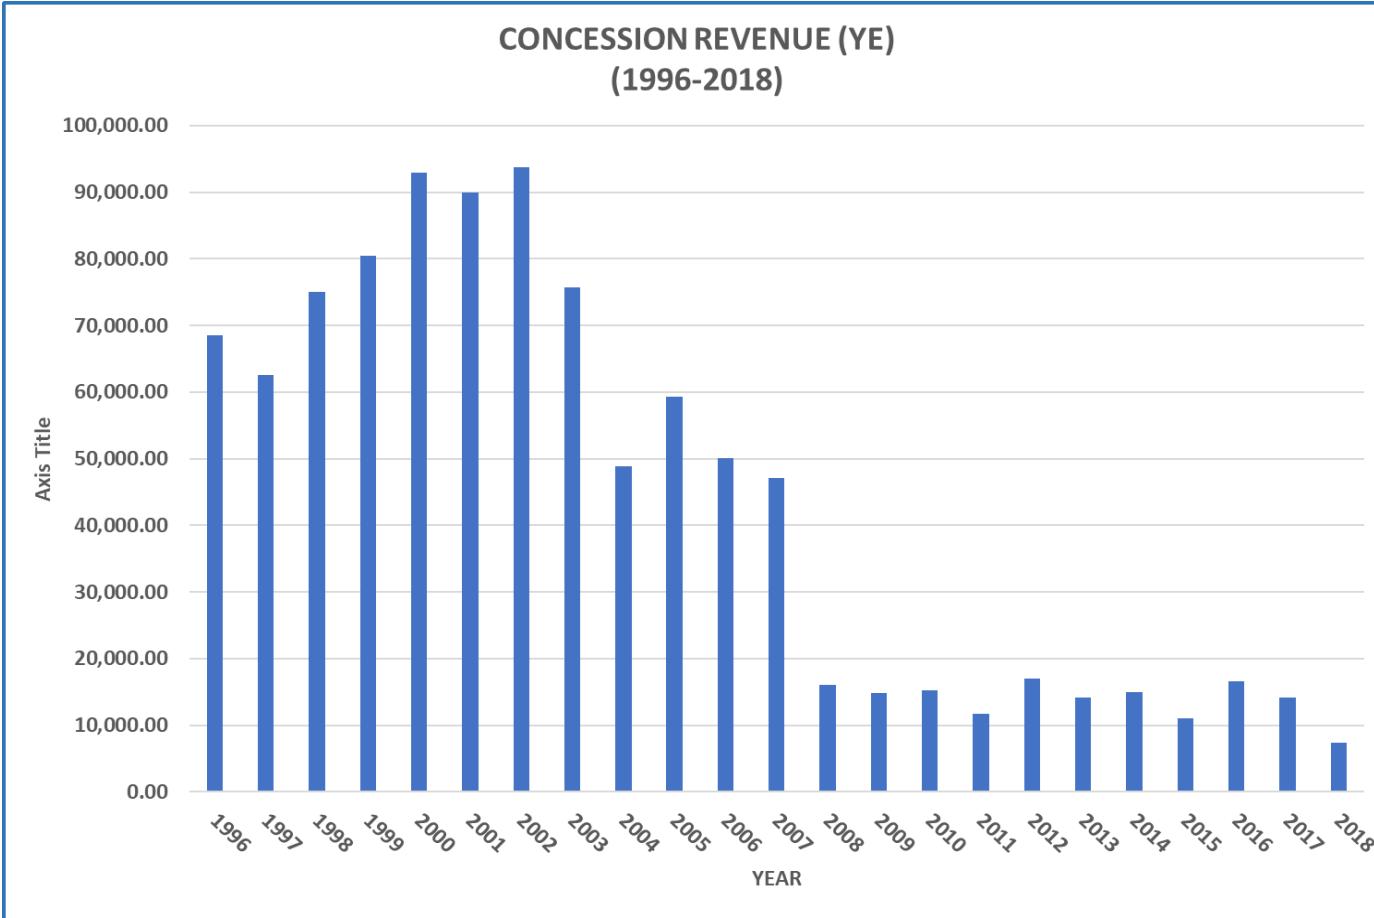

SD analyzed concession and concession commission revenue for the period 1996 through 2018. SD began with the 1996 concession revenue data in order to analyze trends in concession revenue prior to Heather Ernst's promotion to West Pool manager in 2001. In 2008, the City of Hilliard no longer managed the concessions for the Community Center, Senior Center, East Pool, West Pool, and Ballfields. Instead, the City of Hilliard agreed to allow a third party vendor to manage all concessions in return for a concession commission payments based on a percentage of retail sales agreed to by contract. Third-party management of concessions began in 2008 and has been in effect through 2018.

In analyzing concession and concession commission revenue, SD identified decrease in concession revenue from the period 1996 through 2007 compared to the concession commission revenue for the period 2008 through 2018. SD calculated the average annual concession revenue for the period 1996 through 2018 to be \$70,360.21, and \$13,914.32 for the concession commission revenue for the period 2008 through 2018; a decrease of 80.22%. Per inquiry with Kristan Turner – Recreation Supervisor, the city of Hilliard began contracting with a third party vendor to manage all concessions in 2008. In return, the City of Hilliard is paid a commission based on a percentage agreed upon by contract. SD identified an increase concession revenue for the period 1996 through 2002 and then a decrease from 2003 to 2007. SD calculated the average annual concession revenues for the period 1996 through 2002 to be \$80,455.01, and \$56,277.48 for the period 2003 through 2007; a decrease of 30.05%.

## ACTUAL / ESTIMATED CONCESSION REVENUE (1996-2007)

SD calculated the estimated concession revenues based on the City of Hilliard population rates for the period 1996 through 2007. SD used 1996 as the base year to calculate estimated revenue since this was as far back, historically, that concession revenue year-to-date transaction totals could be retrieved from the CMI system. SD calculated the estimate through 2007. Subsequent to 2007, concessions have been managed by third-party vendors who pay the City of Hilliard an agreed upon commissions. To determine the 1997 estimated concession revenue, SD multiplied the 1996 actual concession revenue of \$68,585.33 recorded in the CMI system by 1.048 (1 plus the City of Hilliard population increase for the period 1996 through 1997). The 1997 estimated concession revenue was used to determine the estimated concession revenue for 1998 by multiplying the 1997 estimated concession revenue of \$71,922.08 by 1.1137 (1 plus the City of Hilliard population increase for the period 1997 through 1998). SD calculated the total estimated concession revenue for the period 1996 through 2007 to be \$1,052,662.03. SD compared the estimated total concession revenue to the actual concession revenue of \$844,322.48 recorded in the CMI system over the same period; a variance of (\$276,924.88).

Per inquiry with Greg Tantari - Deputy Finance Director, Safety Town is a program performed by the City of Hilliard Police Department(HPD). HPD uses the Community Center for this program, however all revenues are generated by HPD. As a result, SD did not include this account in the Recreation & Parks revenue accounts.
